SUMMARY REPORT
FT 930-E

SUPPLEMENT

FOR RELEASE
June 23, 1966

EXPORT TRADE BY COMMODITY

This supplement defines the composition of the commodity groupings shown in Report FT 930-E, beginning with the January 1966 issue of that report, in terms of the 1965 Schedule B (as amended), Statistical Classification of Domestic and Foreign Commodities Exported from the United States. Equivalent 1964 Schedule B classification codes are also shown. Exact comparability of 1964 with 1965 groupings is not possible for a number of groupings because of extensive restructuring of the 1965 Schedule B. In some instances where comparability is very limited, no equivalent 1964 Schedule B codes are shown.

Prepared in the Bureau of the Census, Foreign Trade Division

Copies of this Supplement are available on request to the Foreign Trade Division, Bureau of the Census, Washington, D.C. 20233.
